## Work Experience

---

### *Teekay Corporation*

Corporate Communications Intern  
September 2014 - April 2015

Provided creative services for the corporation to relay information internally and externally through the company. Designed graphics, logos, produced videos, motion graphics and assisted in the redeveloping of the company website and rebranding.

### *SFU Work Integrated Learning*

Design and Events Assistant  
September 2013 - April 2014

Assisted with marketing and communications related tasks to help promote the brand of the organization. Produced graphics for branding, filming and editing promotional materials, social media promotional campaigns and helped develop websites.

### *Point Community Church*

Volunteer In-house Visual Designer  
January 2012 - Present

Volunteer in-house visual designer providing services in web, graphics and video. Redesigned and developed website, designed various event graphics, logos, produced promotional videos and played creative role in significant campaign to attract more attendees.
